

In Newfoundland and Labrador the backcountry is only minutes away through a network of well-marked and maintained groomed trails. In fact, some trails will lead right to the doorstep of your accommodation. Here you'll find Canada's longest snowmobiling season.

Get your trail pass from the **Newfoundland & Labrador Snowmobile Federation (NLSF)**. Passes, trail map, and regulations available online at nlsf.org.

ATVING IN WESTERN NEWFOUNDLAND

Discover a vibrant mix of stunning scenery, the perfect backdrop for exploring the rugged terrain by ATV.

T’Railway Provincial Park

The Newfoundland Railway once carved a pathway, almost 900 km, through the island of Newfoundland. Nowadays, only the rail bed remains as an island-wide corridor from Port aux Basques to St. John’s passing through 30+ municipalities, thick forests, and wide-open barrens. The legacy of the railroad can be seen in the trestles, bridges, station houses and rail cars found along this linear park. parksnl.ca

Tour operators offer guided ATV and snowmobile adventures, ensuring you experience the wild beauty of the region while also learning about local culture and wildlife. Whether you’re a seasoned rider or a beginner, there’s a guide for you.
